No Objection for Procurement Plan for Goods for Maharashtra***

Thank you for your electronic mail of December 7, 2009 enclosing the Revised Procurement Plan [PP] for Goods of Maharashtra for IDA's review and no-objection based on our in-principle clearance for direct contracting of vehicle engines and procurement of vehicles through DGS&D.

The changes made in the procurement plan have not been indicated in your mail. We have to speak to Maharashtra SPIU to find out exactly the changes made. We would request you to issue suitable instructions to all states in this regard.

We have reviewed the procurement plan and based on the information provided, IDA has no-objection to the following changes in the procurement plan (a) Procurement of automobile engines [four packages] from OEMs [not from their authorized dealers] at an estimated cost of INR 46.8 million and (b) Procurement of vehicles [six packages] from OEMs through DGS&D RC at an estimated cost of INR 38.8 million.

We will publish the attached procurement plan in the Bank website.

As per Bank's Procurement Guidelines Para 1.16 please publish the procurement plan in the NPMU and SPMU websites and confirm the publication to IDA for our record.

With regards,

Yours sincerely,

Dear Mr. Ganguli:

***INDIA: Vocational Training Improvement Project (Cr. 4319-IN)-
No Objection for Purchase/ Procurement of Engines & Assemblies under
Direct Contracting (DC) Mode***

We thank you for your electronic mail of March 16, 2010 attaching the list of contracts for Engine Assemblies for our review and No-Objection.

We have reviewed the document and based on the information provided and clarifications furnished, we have no objection to the award of contracts to the parties as proposed subject to the following comments:

- (a) use the contract format in the NCB Goods Document for all contracts [E 1 format. SPIU is familiar with it];
- (b) NPIU/SPIU to ensure discounts passed on by OEMs to dealers is passed on to the project. In this regard the SPIU may negotiate with OEMs at sufficiently higher level and ensure prices paid are reasonable;
- (c) send the signed contracts to OEMs for information and to the Bank for our record.

Attachment:

Changes to be incorporated in the contract documents on E-1 format presently being used for Procurement of Goods

Section III – Conditions of Contract:

2.1 Clause 34:

This clause should be revised as under:

“34. Fraud and Corruption:

34.1 If the Purchaser determines that the Supplier has engaged in corrupt, fraudulent, collusive, coercive or obstructive practices, in competing for or in executing the Contract, then the Purchaser may, after giving 14 days notice to the Supplier, terminate the Supplier's employment under the Contract and cancel the contract, and the provisions of Clause 24 shall apply as if such termination had been made under Sub-Clause 24.1.

(a) For the purposes of this Sub-Clause:

- (i) “corrupt practice”¹ is the offering, giving, receiving or soliciting, directly or indirectly, of anything of value to influence improperly the actions of another party;
- (ii) “fraudulent practice”² is any act or omission, including a misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a party to obtain a financial or other benefit or to avoid an obligation;
- (iii) “collusive practice”³ is an arrangement between two or more parties designed to achieve an improper purpose, including to influence improperly the actions of another party;
- (iv) “coercive practice”⁴ is impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of the party to influence improperly the actions of a party;

¹ “another party” refers to a public official acting in relation to the procurement process or contract execution}. In this context, “public official” includes World Bank staff and employees of other organizations taking or reviewing procurement decisions.

² a “party” refers to a public official; the terms “benefit” and “obligation” relate to the procurement process or contract execution; and the “act or omission” is intended to influence the procurement process or contract execution.

³ “parties” refers to participants in the procurement process (including public officials) attempting to establish bid prices at artificial, non competitive levels.

⁴ a “party” refers to a participant in the procurement process or contract execution.

(v) "obstructive practice" is

- (aa) deliberately destroying, falsifying, altering or concealing of evidence material to the investigation or making false statements to investigators in order to materially impede a Bank investigation into allegations of a corrupt, fraudulent, coercive or collusive practice; and/or threatening, harassing or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation, or
- (bb) acts intended to materially impede the exercise of the Bank's inspection and audit rights provided for under Clause 35 [Inspections and Audits by the Bank].

34.2 Should any employee of the Supplier be determined to have engaged in corrupt, fraudulent, collusive, coercive, or obstructive practice during the purchase of the Goods, then that employee shall be removed."

2.2 Clause 35:

Clause 35 as under should be added as a new Clause in the General Conditions of Contract:

"35. Inspections and Audits by the Bank

The Contractor shall permit the Bank and/or persons appointed by the Bank to inspect the Site and/or the accounts and records of the Contractor and its subcontractors relating to the performance of the Contract, and to have such accounts and records audited by auditors appointed by the Bank if required by the Bank. The Contractor's attention is drawn to Clause 34 [Fraud and Corruption] which provides, inter alia, that acts intended to materially impede the exercise of the Bank's inspection and audit rights provided for under Clause 35 constitute a prohibited practice subject to contract termination (as well as to a determination of ineligibility under the Procurement Guidelines)."
